MID-YEAR NEWSLETTER

June 2026

"Through God we will do valiantly, for it is He who shall tread down our enemies" – Psalm 60:12

Grateful for God's Faithfulness

As we reach the midpoint of 2026, we pause to thank God Almighty for His goodness and sustaining grace. We are deeply grateful for each one of you who continues to stand with us through prayer, encouragement, and faithful partnership.

As you know, 2025 was an incredibly difficult year for the people of Haiti and for our brothers and sisters throughout our churches. Sadly, 2026 has not yet brought significant relief.

The security crisis in Haiti remains severe. Some members of our church in Port-au-Prince have been displaced because of ongoing gang violence. We have also mourned the loss of members from one of our congregations, and many individuals across our churches continue to endure illness, uncertainty, and hardship. Yet through every challenge, God has remained faithful.

Just as we witnessed throughout 2025, the Lord continues to be present among His people. Our churches remain steadfast in faith, trusting in His promises and His unfailing love. We believe He will continue to guide, strengthen, and sustain us in every season.

Celebrating 16 Years of Ministry: Butte Boyer Church

Recently, the church in Butte Boyer celebrated 16 years of serving the Lord faithfully in the community. During this milestone celebration, we spoke with Pastor Aubin as he reflected on what God has done through the ministry over the past 16 years.

A Pastor's Testimony: Witnessing God's Faithfulness Over 16 Years

"When I reflect on these past sixteen years of ministry, my greatest joy has been seeing people grow in their relationship with the Lord. Through every challenge, every season, and every obstacle, God has remained faithful to His church.

One of the greatest testimonies of God's power is what He has done in our community. The place where the church now stands was once known for practices that brought fear and spiritual darkness. Before the church was established, many sacrifices and harmful practices reportedly took place there. But over the years, God has transformed that place. Today, people in the community often say that the church has become a place of hope and deliverance.

Another blessing has been seeing how the church has become known for welcoming and

serving others. We have worked intentionally to love people, including those who do not yet know Christ, and, because of that witness, the community has embraced and supported the church.

God has also blessed the ministry with growth. Over the years, He has raised up workers, brought many people to faith in Christ, strengthened marriages, allowed baptisms, and spiritually matured believers.

Bread of the World Commission has also been a tremendous blessing to this ministry through the provision of land, a temporary church structure, pastoral and member training, counseling support, ministry project assistance, and faithful prayer.

Among the ministry efforts that have had the greatest impact over the years have been revival services, door-to-door evangelism, community outreach, and mobile medical clinics. Ministry has not been easy. Society has changed, challenges have increased, and circumstances have often tested us. Yet through every season, God has given us the grace to remain faithful to the mission He has entrusted to us.

Through these years, God has taught me important lessons as a pastor. I have learned that this work never belongs to the leader; it belongs to God. I have learned that leadership requires humility and that those called to lead are first called to serve.

As I look toward the future, my prayer and vision are to build a new church facility that can accommodate 400-500 people. I believe that in the coming years, God will continue expanding His Kingdom here as we faithfully proclaim the Gospel throughout the community.

My encouragement to every believer is to become more involved in the work of ministry, to pray faithfully for the church, to maintain a strong Christian testimony, and to invest their time, gifts, and resources so that God's work may continue to grow both spiritually and physically."

Sixteen years later, this testimony stands as a reminder that God continues to build His church. Even in difficult circumstances, His work is moving forward, lives are being transformed, and His Gospel continues to bring hope.

Looking Forward with Faith

As we continue through 2026, we remain united in faith and confident that God is faithful and His purposes will prevail.
