FIRST QUARTER NEWSLETTER

March 2025

Trusting in God's Protection and Peace

"The Lord is good, a refuge in times of trouble. He cares for those who trust in him." – Nahum 1:7

As we've entered 2025, we continue to place our trust in our Heavenly Father, seeking His peace and protection. In a world filled with uncertainty, we find our refuge in Him, knowing that His unfailing love will sustain us through every challenge. Our prayer is that God's peace will guard our hearts and minds, giving us the strength to continue our mission with faith and courage.

Haiti: A Nation in Crisis, A Church Standing Strong

Throughout 2024, we shared with you the ongoing crisis in Haiti. As we enter the new year, the situation has worsened dramatically. Allied gangs have intensified their attacks, paralyzing much of the country and plunging Haiti further into a humanitarian and human rights disaster. Many live in fear, struggling to find safety, food, and hope.

Yet, even in the darkest times, God is in control!

Despite the dangers, our pastors and church members in Haiti continue to serve the Lord faithfully. Every week, they gather for worship, lifting their voices in praise and seeking strength from God. Even in the face of violence, the Gospel is being preached, and lives are being transformed.

In the first two months of the year, we rejoice with the angels for the salvation of 17 new believers within the churches. This is a testament to the power of God's love and the resilience of His people.

The Church in Butte Boyer, Port-au-Prince, continues to meet at their regular scheduled weekly service times despite the severe gang violence in the area. Pastor Aubin and church members remain steadfast, proclaiming the hope of Christ amid the turmoil. Their courage is an inspiration, reminding us that the light of the Gospel shines brightest in the darkest places.

Meanwhile, Marie-Thérèse school in Terre Blanche continues to make remarkable progress. Although they face many challenges, students are thriving in their education, giving us hope for the future of Haiti's children.
